

src/questao\_1/main  
\_q1.cpp

```
graph TD; A[src/questao_1/main_q1.cpp] --> B[iostream]; A --> C[vector];
```

The diagram illustrates the dependencies of the source file `src/questao_1/main_q1.cpp`. It is represented by a gray rectangular box at the top. Two blue arrows originate from the bottom of this box and point downwards to two separate white rectangular boxes. The left box is labeled `iostream` and the right box is labeled `vector`, indicating that the main program file depends on these two standard library components.
